

Meghan Fasano

I humanize technology.

Charleston, SC | meghanfasano@outlook.com

Executive presentation designer with 18 years across Microsoft and vendor roles. Created presentations for Judson Althoff and supported Satya Nadella's FedEx CEO-to-CEO communications. Advised WBA's leadership team and supported Microsoft and customer executives at Walmart, PepsiCo, and Coca-Cola, translating cloud, AI, and security into clear visual narratives.

PROFESSIONAL EXPERIENCE

- June 2025 - Present

The Peerless Group

Senior Consultant, Proposal Design and Communications

 - Executive deck design.** Create proposal decks, conceptual graphics, and executive decision materials that translate technical value into clear customer stories.
 - Narrative strategy.** Advise executives and pursuit teams on messaging and presentation structure for government contracting opportunities.
 - AI workshops and design systems.** Lead agentic AI discovery workshops; build reusable presentation assets, AI-assisted story frameworks, and human-review workflows.
- April 2023 - July 2025

Microsoft

Lead UX Designer

 - Presentation and visual design.** Created presentation materials, storyboards, and a Figma component and style library for an internal product-launch and communications tool.
 - UX impact.** Led UX/UI design, contributing to an approximately 25% reduction in launch and proposal-related cycle time.
 - Cross-functional collaboration.** Partnered with engineering, sales, marketing, and solution teams to turn cloud, AI, and security requirements into user flows, prototypes, and implementation handoffs.
- August 2019 - March 2023 | FTE

Microsoft

Senior Marketing Communications Manager

 - Executive deck design.** Developed PowerPoint presentations, demos, narratives, and speaker materials for cloud and AI initiatives, including work involving Satya Nadella and Judson Althoff.
 - Executive communications.** Supported Microsoft and FedEx CEO-to-CEO discussions and advised WBA leaders on visual narratives for board-level technology investment decisions.
 - Stakeholder alignment.** Partnered with PepsiCo's executive sponsor, a direct report to the CTO, to strengthen Microsoft account-team collaboration and guide a complex engagement to success.

MEGHAN FASANO

Visual communications | Executive presentation design

PROFESSIONAL EXPERIENCE CONTINUED

- **July 2007 - August 2019 | Microsoft vendor**
P3Solutions
Proposal Visual Designer
Microsoft Global Proposal Team / Sales Desk
 - **Presentation and proposal design.** Created proposal decks, conceptual graphics, executive summaries, and oral-presentation materials supporting \$12B+ in Microsoft contract wins.
 - **Technical storytelling.** Partnered with architects and subject matter experts to turn dense requirements into persuasive visual narratives.
 - **Federal pursuits.** Supported FEDSIM oral presentations and JEDI proposal materials; prepared speakers through discussion materials, anticipated questions, and rehearsal feedback.
 - **Production leadership.** Coordinated content, reviews, and production across 60+ proposals annually; built reusable templates and content libraries for distributed teams.
- **May 2005 - March 2007**
COE
Proposal Production Manager / IT Administrator
 - **Proposal visual production.** Managed layout, quality assurance, and final delivery; supported secure collaboration, version control, and reliable document systems.

SELECTED CUSTOMER STORIES

- **Microsoft + FedEx**
Created presentations for Judson Althoff and supported Satya Nadella's FedEx CEO-to-CEO communications, connecting technology to business priorities.
- **Walgreens Boots Alliance**
Advised the leadership team on visual narratives for board-level technology investments, including pharmacist automation and digital care.
- **PepsiCo**
Partnered with a sponsor reporting directly to the CTO to strengthen Microsoft collaboration and guide an engagement to success. Shaped the seller-onboarding agent story.
- **Walmart**
Helped shape an early Azure OpenAI demonstration and enterprise-search narrative, connecting technical capabilities to a practical retail scenario.
- **Sam's Club**
Designed a 2.5-day executive workshop using Design Thinking and Jobs-to-be-Done to translate priorities into cloud and AI use cases and an adoption roadmap.
